Physician Gives Recipe for Gray Hair

A Well-known Physician and Author Gives Simple Home Recipe That Will Darken Gray Hair.

Dr. Stanton Burroughs, the well-known physician and author, recently made the following statement: "Gray hair can be easily darkened by the following simple recipe, which you can mix at home: To 7 oz. of water add a small box of Barbo Compound, 1 oz. bay rum and 1/2 oz. glycerine. Apply it to the hair every other day until the desired shade is obtained. It not only is an excellent hair darkener, but at the same time removes dandruff and other ills of the scalp. I use it myself and have no hesitancy in recommending it to my patients. These ingredients can be bought at any drug store at very little cost."—Adv't.

FALLING PLANK STRIKES ACTRESS ON THE HEAD

Miss Pears's Recovery Is Uncertain, Hospital Authorities Report.

A plank fell from the flies of the Longacre Theatre stage following a rehearsal there this afternoon, and struck Miss Martha Pears, a member of the rehearsing company, on the head. She was rendered unconscious and removed to the Flower Hospital in a precarious condition.

Miss Pears, twenty years old, whose home is at No. 46 Littlemore avenue, West New Brighton, S. I., was standing a few feet from one of the entrances of the wings, when the timber dropped upon her. According to the police

Recovered from Lung Trouble—Now Insured

Insurance companies will not accept any one afflicted with Lung Trouble. When you know a man who has been afflicted and who later has been insured, such action means that the policyholder must be in a very good state of health. Cases have been reported when Lung Trouble, after taking Eckman's Alternative, has successfully passed the medical test of insurance companies. Read this case: "I am 287, Dean st., Brooklyn, N. Y. (gentleman). About a year and a half ago I noticed that my health was rapidly falling. I was troubled with night sweats, a severe cough and was very weak, having in fact, absolutely no ambition whatever. About this time I consulted a physician who told me my lungs were affected. Not satisfied, I went to another doctor who, after examining me, said that I was in the first stages of Lung Trouble. At this point I started to take Eckman's Alternative. The night sweats stopped almost immediately, my cough became less and gradually disappeared. My weight is now 142 pounds and my physician has pronounced me perfectly sound—which together with the fact that I have just been accepted by two different insurance companies for insurance, makes me sure of my entire recovery by Eckman's Alternative. (Abridged). (Above abbreviated; more on request.) Eckman's Alternative has been proved by many years' test to be most efficacious for severe Throat and Lung Affections, Bronchitis, Bronchial Asthma, Stomach Colds and in upbuilding the system. It acts on narcotic, poison or habit-forming drugs. Sold by Eckman's Alternative Co. and all leading druggists. Write the Eckman Laboratory, Philadelphia, Pa., for booklet telling of recoveries and additional evidence.

There were some workmen making some changes over the stage. The accident caused considerable excitement on the stage of the theatre as there were a number of other actresses and actors there. They did what they could until the arrival of the surgeon.
